ENCLOSURE A. (CONT'D)

## LEGEND

- Point # 1. Highway: five to six meters wide; asphalt; poor condition; power lines, ditches, and fruit trees along sides; connected Zvolen with Banska Bystrica.
2. Zvolen Airfield.
3. Air Force Casernes: group of buildings; some completed, some still under construction; located on the northern outskirts of Hajniky [4837N-1909E] and built on both sides of the highway, [Pt. 1, above]. There was one large completed building on the east side of the highway, 40-50 m. x 20 m., four stories high, straight roof, with several garages attached. On the west side of this highway were four to five barracks, 30-40 x 10 x 5 m., one story high, stuccoed brick, and low-pitched, gabled roofs, where airmen, WAFS, and students from the Advanced Pilot School were billeted. Several more barracks were still under construction.
4. Railroad Line: single; standard European gauge; connected Zvolen with Banska-Bystrica.
5. Hron River: 10-15 m. wide; depth unknown; not navigable; frozen from November to February.
